

TRADEWINDS APARTMENTS OF MARCO ISLAND, INC.

## UNIT FRONT DOOR

The Board, at a duly called meeting on April 14, 2000, voted to ~~give permission to~~ allow a hook to be mounted on the outside of ~~the~~ all apartment doors, after the completion of the hallway renovations.

~~—Written permission will be given to those unit owners who make a written request. A copy of the request and the permission will be kept on file in the office.~~

The following stipulations must be followed:

1. The Association maintenance staff will ~~be notified to~~ place on all unit doors one hook, supplied by the Association, at a pre-determined position on the door.
2. The item to be placed on the hook is to be ~~no larger than~~ approximately 16" X 16".
3. The item cannot in any way block from view the apartment number on the door.

Rene' Basile, Board President  
Rudolph Besler, Building Committee Chairman  
Bob Blow, Rules & Regulations Chairman

Amended at a duly called Board Meeting, December 8, 2000. Words struck through have been deleted and those that are underlined are new or emphasized.
